

## **DR AMANDEEP HANSRA**

Amandeep is a practicing GP in Sydney and a leader in digital health and telehealth in Australia.

She is a director of Caligo Health and provides digital health consulting services across the health sector as well as being involved with a number of health tech start-ups.

She was the first CEO & Medical Director of Telstra's telemedicine business, ReadyCare.

She also served as the Chief Medical Officer for Telstra Health and separately has assisted Medgate in setting up a telemedicine business in the Philippines.

Amandeep works as an advisor to many digital health companies including global organisations such as Teladoc and sits on the board of CoviU, a spinout company from CSIRO's Data61 program.

She founded Creative Careers in Medicine, a community of over 10,000 doctors who think outside the square.

She is also the co-founder of the Australian Medical Angels, a group of over 300 doctors who invest in start-ups and a venture partner with Healthcare Ventures, the first digital health venture fund in Australia.

She sits on a number of committees and boards with organisations such as the Australian Medical Association, Royal Australian College of General Practitioners, NPS Medicinewise and the Australian Institute of Digital Health as well as being a Clinical Reference Lead for the Australian Digital Health Agency.

She is a Fellow of the RACGP, a Fellow of the Australian Institute of Digital Health, holds a Master's in Public Health and Tropical Medicine, is a Graduate of the AICD and was awarded the "Women Leading in Business Scholarship" for the Global Executive MBA at the University of Sydney which she completed in 2018.
